About Me

I am a friendly, hardworking, and reliable person. Originally from Tasmania, I bring a genuine passion for all aspects of information technology, complemented by the completion of a Certificate III in Digital Media and Technology. I enjoy working on my website and working on my home lab. I look forward to the opportunity of working in a role in which I can continually apply and develop my skills.

Skills & Attributes

- Strong customer service focus
- Enjoy working as part of a team
- Excellent communication skills
- High level of computer competency
- Demonstrated ability to install Windows and Linux-based operating systems
- Proven experience in building personal computers
- Excellent troubleshooting skills
- Extensive knowledge of Windows servers (e.g., Active Directory)
- Skilled in setting up computer networks and installing different applications
- Effective time management
